Southeast Georgia Principals Coffee & Conversation

An hour of conversation and community with principals making an impact in Southeast Georgia's schools.

Meet your co-hosts

Derrick Butler
Principal
Islands High School

Resego Mooki
Partnerships Associate
TeachFX

Joseph Hyun
Head of Partner Success
TeachFX

Welcome & Icebreaker

What student engagement challenges have you seen this year?

Visit our [Jamboard](#) and add your thoughts to the conversation.

How the pandemic still echoes in our classrooms...

- ✓ Challenges in getting kids engaged in the room
- ✓ Teachers sensing apathy in their students' learning
- ✓ Instructional leaders helping teachers get comfortable with facilitating conversation in the classroom

1. How have your teachers grown student engagement this year?
2. How has your PD helped?

Discuss & add to our [Jamboard](#)

Breakout Rooms – 7 minutes

TeachFX

The instructional goals we're pursuing at Islands High School, with help from TeachFX:

1. Boost student engagement by teaching with intention; meeting students where they are.
2. Meet teachers where they are to help grow their teaching **and** see their own progress.

Boosting student engagement by teaching with intention

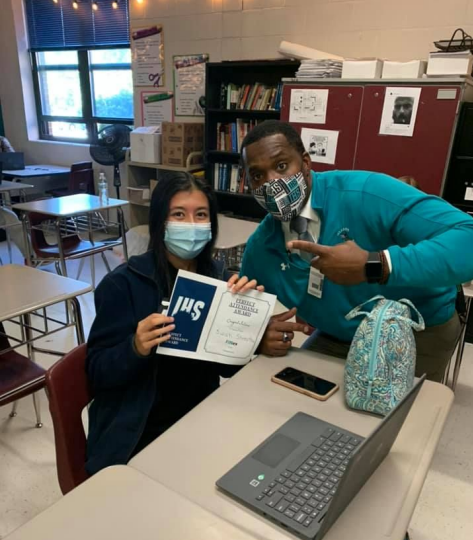

- ✓ Meeting students where they are
- ✓ Create space for every student's voice
- ✓ Define and foster more conversational, equitable classrooms

Meet teachers where they are to help grow their teaching and see their own progress

Provide professional development supports that feel connected to the reality of their classrooms, teachers can change their own practice.

Let's hear what Islands High School teachers have to share about this approach.

WHAT EDUCATORS SAY ABOUT TEACHFX

What is TeachFX?

PD + Instructional Technology

PD that's learner-centered, helps teachers start listening to their students in new ways, and provides for ongoing learning and reflection.

With our instructional coaching app, teachers simply press record. TeachFX provides teachers with objective insights on their teaching.
